Blake Austin College Beauty Academy Open House for Area Students & Educators

Vacaville, CA (February 14, 2013) – Statistics show that even in the last three months before graduation, 67% of High School Seniors do not know what they are going to do after graduation. Blake Austin College is here to help our local students find a career path and will be opening up its doors for area counselors, schools and parents on Wednesday March 6th from 4:30 to 6:30pm. The public is also invited and anyone who is interested in seeing the college campuses, interested in a career change or area employers that might be interested in hiring a graduate are welcome to attend.

“Blake Austin College is a hidden gem right here in Solano County,” says Joanie Reed, President and CEO of Blake Austin College. “We have been providing an exceptional education to our students since 1996 and because of that, we have cultivated great relationships with the area’s major employers many who seek out our graduates for hire.”

There is something for everyone at Blake Austin College with classes available in beauty, medical, alternative healing and dental. Between both campuses, there are over 40,000 square feet of state-of-the-art equipment, in a modern hands-on learning environment with highly experienced instructors. VA Approved Courses, Financial Aid (for those who qualify) and Lifetime Job Placement Assistance are offered.

“Blake Austin College, wishes for our students, staff and the community as a whole the ability to experience freedom, empowerment and success,” says Reed. “We are very proud to incorporate Core Values into our curriculum which helps make our students better-rounded individuals who are involved in the community, which holds them to a higher standard and more valuable as an employee.”

A chance to win an iPad Mini and other prizes! Refreshments will be served, administrators, instructors and Blake Austin College students will be on hand to answer questions and offer a “sneak peek” into their classrooms. Both campuses will be open that evening and will be held at both 1679 E. Monte Vista Avenue, Suite 200 (in the Nut Tree Plaza – upstairs across from the carousel) and at 611-K Orange Drive (by the DMV). A-1 Limo Service will be on hand offering a free shuttle between campuses so you can explore both of our facilities.

If you would like more information about the Open House, please call Michelle Trippi, marketing, Public Relations and Media Coordinator at 707-448-3100 or email her at michellet@blakeaustincollege.edu.
