ACADEMIC AND ADMINISTRATIVE POLICIES

ATTENDANCE

Blake Austin College (BAC) must be able to confirm to potential employers that a student will be a reliable employee. Punctual attendance is required at all classes, training sessions, and externships. Attendance is an absolutely crucial part of the training program and a requirement for graduation. Regular attendance is an obligation assumed by every student at the time of enrollment. Regular class attendance and being on time helps students develop good habits and attitudes necessary to compete in the job market. Attendance is monitored and recorded daily. It is the responsibility of the student to notify the College in advance if they will be absent or late. Employment opportunities are often optimized for a student who demonstrates reliability and punctuality.

All absences must be reported and the student must notify BAC at least **fifteen (15) minutes** prior to the class start when the student will be absent or tardy. Failure to notify the College may result in disciplinary action. When calling in, students should provide their full name and program. Students are encouraged to schedule medical, dental, personal or legal appointments outside of their scheduled school hours and should notify the school if they plan to be absent.

Students who have been absent 14-consecutive calendar days, not including scheduled school holidays or breaks, will be dropped from the program.

ATTENDANCE POLICY

Students are expected to achieve 100% attendance per course. Absences equal to or in excess of 10% of any course, or 10% of the cumulative hours scheduled for module-based program, may lead to attendance probation or dismissal from the college. Absences equal to or in excess to 2% of the cumulative hours scheduled for clock-hour based programs may lead to attendance probation or dismissal from the college. Any student that is absent for more

than three consecutive days will be reassessed and recommended for appropriate action based on grade and performance.

Students on attendance probation who have failed to meet the probationary terms and/or attendance requirement may be dismissed from the program.

Students who are tardy and/or have absences in their first week of the program may be cancelled from the program.

All scheduled hours for each clock hour module-based program must be completed before the end of each course. If a student fails 2 courses due to not achieving 100% of hours for the course, the student will be dismissed from the program. All students must achieve 100% attendance in prerequisite classes to continue in the program.

Clock-hour programs: Students will not receive credit for unscheduled class time attendance unless authorized by the instructor and/or documented as make-up time.

Branch Campus:

If a student is in attendance and cannot be found on the campus during a period of time, he/she will not get credit for **any hours** on that day from the time he/she cannot be found and the student will be sent home. Students cannot be more than 30 feet away from the campus during breaks. Students will be sent home if breaks are taken more than 30 feet away from the campus and will not get credit from the time break began.

VN PROGRAM – ABSENCES & REQUIRED HOURS

1. Students may only miss and make up a total of 13 hours of combined Clinical & Skills hours each semester.
NOTE: Make up sites are not guaranteed and are very limited which could result in a delay in progressing to the next semester and/or graduating if unable to place for make-up.
2. Students may only miss and make up a total of 16.5 hours of Theory/Critical Thinking each semester.

If more hours are missed in a semester, the student may be dismissed from the program. Extenuating circumstances may be evaluated at the discretion of the Director.

NOTE: If you would like your absence(s) to be evaluated for special circumstances or appeal the decision to dismiss based on the violation of policy, please provide all documentation related to EACH absence and a letter explaining why this will not happen in the future. This must be received within 24 hours of the absence that put you over the max allowed. It is your responsibility to initiate your process.

TARDINESS & LEAVING EARLY

Tardiness is deemed unprofessional behavior. Students must be present in class at the time of the scheduled class, at the beginning of class and after breaks. Tardiness to class, including from breaks, and leaving before end of class are disruptive to the learning environment for all students. Students arriving or leaving outside the scheduled class hours receive a tardy on their attendance record. Two or more tardiness or leaving early will lead to student be placed on a Student Success Plan and continuous tardiness/attendance concerns may lead to failure of course and/or dismissal from the program.

VN PROGRAM – TARDINESS & LEAVING EARLY

Specific participation requirements include handling one's affairs in both an adult and professional manner. This includes being to class on-time and remain for the length of the scheduled class period. This is for both the BAC Campus and additionally at Clinical sites.

Off Campus – Clinical

- Students may be allowed one (1) Tardy in the clinical setting. Discretion factors include: amount of time missed, reason, notification, professionalism, conduct, etc.
- If tardy a second time the student may be sent home. Tardiness in the clinical setting is comparable to arriving late to work. This would cause overtime for the shift prior, may affect patient care, medication pass, etc. Therefore, BAC supports and encourages professional behavior in the clinical setting. The student should think of their clinical rotation as a hands-on interview; most of our clinical sites are employers of our VN graduates.

LEAVING EARLY: BRANCH CAMPUS

Students must submit Student Time-Off Notification Form who are aware that they must leave early for the day. Students should notify the Instructor at the earliest possible time to help avoid classroom interruption and client scheduling issues. Completing the Student Time-Off Notification Form is not considered as approval for time off, it is for notification purposes only. Attendance policy is still applied for leaving early.

MAKE-UP WORK AND EXAMS

Students are required to make-up all course work missed to due absenteeism. The instructor may assign additional work to be completed for each absence to meet the missed learning objectives. Students are responsible for getting missed assignments and arranging time with the instructor or designee for make-up work and exams. A 10% deduction will be applied to all make-up work, quizzes and exams.

VN Students Only: Students will receive a zero for any quizzes or in-class assignments if not in attendance on the day given.

MAKE-UP TIME: CLOCK-HOUR PROGRAMS

All scheduled hours must be successfully completed in order for a student to graduate from the program. Therefore, all time missed require make-up time to ensure completion of all approved hours. Make-up time must be completed within one week of the tardy/leave early and within two weeks upon return from absence(s). Make-up time can be scheduled for a minimum of 30-minutes increments. If a student has less than 30-minutes to make-up, the student is to be scheduled only for the missed time. Students cannot make-up time without a completed Student Make-Up Time Form from the instructor or designee.

Make up assignments must be directed at completing specific objectives and/or technical skills. Students must adhere to these assignments for time missed. Acceptable methods of make-up:

Theory: Case studies, objective assignments, written examination/quizzes, attendance at workshops, and research reports.

Skills: Practice and/or performance evaluation in skills lab.

Clinical: Performance evaluation in skills lab or additional time in the clinical area with clients.

If a student is tardy and/or leaves early for the day, the student cannot make-up time on the same day. Any student who completes make-up time prior to class on the same day and is tardy to class or leaves early, will not have make-up time considered for the day.

If a student fails to make up the time within the specific timeframe, the student will be placed on probation, however dismissal may occur.

IT IS THE STUDENT'S RESPONSIBILITY TO ATTEND THE SCHEDULED MAKE-UP TIME AS STATED ON THE MAKE-UP TIME FORM AND WILL NOT BE REMINDED BY THE FACULTY OR STAFF.

GUEST VISION-BRANCH CAMPUS

Students are responsible for clocking in and out for the day. The time clock is utilized to schedule clients for services and monitor students presence for class.

QUIZ AND EXAM POLICY

Students will receive the first attempt grade on all graded exams and quizzes. If a student does not pass a quiz and/or exam, the student will be placed on remediation. Please see Student Success Plan section of the handbook.

EVALUATION OUTCOMES

If the student does not meet any of the criteria listed for his/her program at the time of evaluation, the following steps will be implemented:

- Complete advisement, Student Success Plan
 - 1st offense: At-Risk status
 - 2nd offense: Probation status
 - 3rd offense: Dismissal from the program.
 - If extenuating circumstances, student can continue on probation status until the next evaluation period.

If the student meets the criteria at the evaluation point, the student is taken off of At-Risk/Probation status.

STUDENT SUCCESS PLAN

Student Success Plans are created to:

- 1) Identify problem areas that a student may be encountering, and
- 2) Take the necessary actions to correct the situation and promote student success.

Student Success Plans are also completed when a student violates any of the policies. The different types of status for the Student Success Plan are:

- | | |
|------------|--------------|
| 1. Verbal | 3. Probation |
| 2. At Risk | 4. Dismissal |

VERBAL

In some circumstances, an instructor may deem that a student would benefit from specific verbal instruction aimed at correcting a problem/concern. In many instances, this may relate to conduct violations. Whenever an instructor gives a student verbal counseling, a note will be entered into the student's record so that other instructors and administrators are aware. In the vast majority of cases, verbal counseling is provided to ensure student success through identification of a problem and offering possible solutions rather than as a reprimand.

AT-RISK

Any time a student appears to be violating any of the policies; the student will be placed on "At-Risk" status. "At-Risk" status can extend from one course/session to another.

"At-Risk" status may occur, but is not limited to, the following reasons:

- Failure to meet attendance policy;
- Failure to attend mandatory lab: skills remediation; exam remediation; or make-up time;
- Failure to perform in a professional manner; code of conduct violation;
- Failure to provide safe client care;
- Exam Score less than 75%.

Student will remain on "At-Risk" and attend remediation (if applicable) each week until the terms of the remediation have been met. Once the terms have been successfully met the student will be removed from "At-Risk". The instructor or designee will review the student's success and both will sign in the appropriate areas. If the student fails to meet the terms of his/her "At-Risk", the student may be placed on "Probation".

PROBATION

Students who violate the attendance, academic, student conduct, performance Policies, or failed to meet the terms of their "At-Risk" status may be placed on Probation. Probation notifies staff and faculty that the student requires close monitoring in order to be successful. Probationary status can extend from one course/session to another.

- If the student fails to meet the terms of his/her "Probation", the student may be dismissed from the program or their "Probation" may be extended.

DISMISSAL

Dismissal occurs when the college determines that the student has not met or cannot satisfactorily meet the academic, attendance, conduct, or other performance policies of the program. A student may be dismissed for, but not limited to, the following reasons:

- Failure to meet attendance policy
- Failure to provide safe client care;
- Failure to meet the terms of probation;
- Failure to complete the program in 1.5 times the published length;
- Failure to meet Satisfactory Academic Progress requirements;
- Failure to meet financial obligations;
- Gross violation of the Student Code of Conduct; or Drug policy violation.

NOTE: A student may be dismissed from the program at any point in the success plan stages if there is gross misconduct or failure to comply with the terms of the success plan or BAC Policies.

REMIEDIATION

Remediation is a time for additional instruction for any student that is in need of assistance in either theory or lab skills. It is not designed to be used as a one-on-one learning, but as an aide to provide the student with the tools to become successful. Students will be required to attend mandatory remediation if the student:

- Fails a skill in a skills-based course
- Requires remediation of a skill or clinical performance
- Exam scores less than 75%
- Is requested from an instructor if he/she feels that additional instruction is needed to ensure that a skill check-off is completed

Students may initiate the request with their instructor for remediation if the student feels the need for assistance in lab skills or understanding the theory.

REPEATED COURSES (MODULE-BASED PROGRAMS):

A student who earns a less than 75% in a course his/her program of study must repeat the course. When a course is repeated, the original grade will be replaced by "FR" and is designated as a repeat course. All repeated courses count as credit/hours attempted in the maximum time frame evaluation for SAP. A student may repeat a course one time at no fee to attempt a passing grade (this does not apply to VN Program). If a student fails the same course twice, the student will be dismissed from the program. Any student who has failed a total of three courses in his/her program of study and/or does not meet the SAP requirements will be dismissed from the program.

RULES AND REGULATIONS

While on school grounds, all students shall conduct themselves in an appropriate adult manner, and shall be prepared for class sober and attentive. The position of the school may be to:

- Exonerate the student;
- Issue a warning to the student;

CRITERIA FOR STUDENT TO PRE-APPLY FOR LICENSURE EXAM – BRANCH CAMPUS

Students will have the opportunity to pre-apply for the licensure exam prior to graduation. This gives the students the benefit to secure an examination date from the Board of Barbering and Cosmetology near the graduation date, rather than waiting after graduation to apply for the exam date. Student requirements to pre-apply:

- minimum of 98% attendance;
- minimum of 75% overall grade;
- minimum of 90% of operations completed;
- meet rules and regulations stated in the student handbook and catalog;
- not be on a Success Plan (verbal, at-risk or probation); and
- completed 75% of program required hours;
 - Cosmetology: 1200 hours
 - Esthetician and Spa Nail Technician: 450 hours
- be current with all quizzes and exams.

Pre-Application to the Board of Barbering and Cosmetology requires to provide an anticipated date of completion for the student. Students who do not attend scheduled classes or complete make-up time as stated in the policy, may be delayed on completing by the anticipated date. This may result in not completing the program prior to the examination date and missing the exam.

Please visit the Board of Barbering and Cosmetology, www.barbercosmo.ca.gov/, for examination requirements and fees.
